“Alexander von Humboldt”

*Sponsorship Programmes for
Excellent International Researchers*

The Bayreuth Humboldt Centre promotes excellent cooperative research at the University of Bayreuth (UBT) to advance the internationalisation of research and networking with the best universities worldwide.

Sponsorship Programmes for Excellent International Researchers

Applications are open to researchers from all academic disciplines with projects that can take place at the University of Bayreuth. The all-important selection criteria are the academic excellence of both the applicant and a challenging and innovative cooperative project with the local host(s).

Senior and Junior Fellowships

- €40,000 for senior researchers with more than 6 years of postdoc experience
- €20,000 for junior researchers with up to 6 years of postdoc experience
- Duration: case-by-case (typically 3-6 months), multiple stays are possible
- 1-2 scientific hosts at UBT for a cooperative research project
- Additional host subsidy

Short Term Grants

- Reimbursement of travel and accommodation costs
- Duration: case-by-case (1-3 weeks)
- 1 scientific host at UBT for research visits to Bayreuth

Workshops

- Strategic meetings of Bayreuth researchers with colleagues from abroad at UBT
- €20,000 funding maximum per event
